						MAP Make UP
ELAR, Science, Math will administer the MAP test to their own classes during the assigned "exam period" with the exception of Algebra which will take the Algebra semester exam.						
Algebra I, Health, LOTE, CTE classes will take their semester exam <b>online</b> during their respective exam periods.						
** We need to communicate to parents that if they are going to be gone during the final exam schedule that they need to make arrangements for students to take MAP the week before they leave and to contact Berg for arrangements**						
**Algebra I exam may not begin until December 17th**
