Comprehensive Needs Assessment

Demographics

Demographics Summary

Mitchell Elementary is composed of a very diverse student population of 644 PreK- 5th graders. Our student groups comprise students that are economically disadvantaged (44% of total students), African American (39% of total students), Hispanic (24% of total students), White (22% of total students), Asian (7% of total students), and Two or more races (8% of total students). We have a 19.3% mobility rate. Mitchell Elementary values these diverse student groups and the community population which provides us with a rich learning environment.

Demographics Strengths

Summary of Strengths -

1. Attendance rate is 96.1% which is above the state
2. Diverse population
3. We keep track of who lives in our boundaries.
4. In most STAAR areas we are within the state and district range and we are proven to go up in areas we focus on
4. We are equally free/reduced vs. non
5. diverse populations
6. Within ranges for sped, GT, ELL and 504.
7. We are above state in attendance
8. Similar st/teacher ratio to district/state
9. Requiring proof of residency
10. Have an experienced staff.

Problem Statements Identifying Demographics Needs

Problem Statement 1: Excessive tardies and absences are not enforced. **Root Cause:** Lack of procedures and accountability, students are not consistently actively participating in virtual instruction, and lack of WIFI access

Student Learning

Student Learning Summary

Mitchell Elementary has an overall grade of a B rating from the Texas Education Agency. We saw growth in the following areas: 3rd grade Meets expectations and Masters in Reading, 4th grade Approaches in reading, 5th grade Masters in reading, All areas of 3rd grade Math, Approaches and Masters in 4th grade Math, All areas of 5th grade math, Masters in 4th grade Writing, All areas of 5th grade Science. Using resources such as Lead4ward and the collaborative planning protocol allowed us to focus on essential TEK mastery. We will continue the collaborative planning protocol and the implementation of guided reading and math in all classrooms to help guide targeted instruction.

Student Learning Strengths

Summary of Strengths-

1. Students at approaching and ME standard showed growth for the entire campus.
2. Showed progress with our economically disadvantaged students.
3. ELA/Reading
4. Inputting district assessments into Edugence to pull campus reports and subgroups.
5. Implemented Data Meeting protocol and reviewed data and created targeted action reateach plans.

Problem Statements Identifying Student Learning Needs

Problem Statement 1 (Prioritized): Tier II and Tier III students have been effectively identified in the classrooms, but there is still a discrepancy between ELL, AA, ED, SPED student performance when compared to the overall performance and meeting growth goals as defined within Domain 2. **Root Cause:** Understanding State Accountability growth goals, lack of real-world experiences, Interruption of Learning due to COVID, and COVID causing school closures

Problem Statement 2 (Prioritized): Utilizing all data sources to create a targeted, strategic, and equitable instructional practices. **Root Cause:** Inconsistency utilizing data, creating student mastery exit tickets within collaborative planning,

School Processes & Programs

School Processes & Programs Summary

One of the large focuses this year at Mitchell Elementary is our student culture. Planning morning routines and measuring student engagement through the implementation of Voice/Body/Time will help to build a student culture that is safe and nurturing. We want to ensure that we have an environment that scholars want to attend each day. The campus emphasis on community circles, morning meetings, calm down corners, Positive Behavior Intervention Support (PBIS), Zones, Settle your Glitter Implementation in PK-1 will help support the success of all students. Mitchell Elementary follows standard hiring protocol for PISD which utilizes a committee approach during the interview asking all applicants the same set of questions. We continually look for candidates that share our mission and values.

School Processes & Programs Strengths

- 1) Grade level teams are empowered to collaborate and implement plans and procedures for their classrooms that create positive and successful student outcomes.
- 2) Morning meetings are implemented daily in every classroom.
- 3) Safety and emergency procedures are clear and responsive.
- 4) Campus implements a diverse range of extra-curricular activities, events, and resources designed to engage families and meet student needs.
- 5) Implementation of morning routine that ensures every student is greeted by face and name daily.
- 6) Recognition of students, staff, and community through daily announcements and through WOW Wednesday.
- 7) Creating a collaborative team agenda

Problem Statements Identifying School Processes & Programs Needs

Problem Statement 1 (Prioritized): The collaborative teams/grade level teams are operating at varying levels of autonomy when utilizing the district instructional model and framework to plan and deliver instruction in an effort to become a high reliability school. **Root Cause:** We will address: being consistent with the use of academic language through effective instructional strategies to maximizing opportunities to extend or intervene based on where students are.

Problem Statement 2: Need continued input from teachers, parents, and community regarding optimal programs, processes, and safety measures. **Root Cause:** Communication and collaboration between school and community needs to be strengthened.

Problem Statement 3: Our staff is not as diverse as our student population. **Root Cause:** Need more diverse candidates.

Perceptions

Perceptions Summary

Campus worked in creating Mission and Vision statements to unify beliefs. Staff also worked on focusing on our individual mission statements. School administrators implemented a book of the month that recognizes and brings in different cultures and aspects of life. School staff creates intentional connections with students to recognize to develop a supportive and positive environment.

Perceptions Strengths

Summary of Strengths:

1. Students, staff, and parents perceive school as safe and orderly.
2. School is managed in a supportive and reflective way that benefits staff, students, and parents
