# **Comprehensive Needs Assessment**

# Demographics

#### **Demographics Summary**

Twenty-five languages are spoken at Centennial Elementary which serves Kindergarten through 5th grade students. Centennial, which is part of the Plano West Senior High feeder pattern of Plano ISD, is predominantly a neighborhood school. This diverse campus has many student groups. The student population is broken down by the following demographics: Asian 45.4%, White 35.2%, Hispanic 10.8%, African American 6.2% and 2 or more races 2.4%. The last published (2016-2017) mobility rate for Centennial Elementary was 11.8%, similar to the district average and below the state average (10.7% and 16% respectively). Attendance rates at Centennial have stayed consistent over the last 3 years. At 97.3%, the attendance rate is above the District and State averages. Centennial Elementary's student groups include 20% English Learners (a 3% increase from previous year), 18% Gifted and Talented, and 9% Special Education (which doubled in the past 3 years). Additionally, the District Free and Reduced Lunch Report for the 2019 fiscal year shows that 9% of the student population at Centennial Elementary is Economically Disadvantaged.

#### **Demographics Strengths**

- Economically Disadvantaged rate as of May 2019 for Centennial elementary is 10% compared to the district rate of 33%.
- Attendance rates have been consistent and are above the district and state averages.
- The mobility rate is comparable to the district and lower than the state average.

#### **Problem Statements Identifying Demographics Needs**

Problem Statement 1: The percentage of special education students has doubled in three years. Root Cause: New instructional strategies may be needed to meet the needs of all learners.

# **Student Learning**

#### **Student Learning Summary**

**Centennial Elementary Goals Including HB3 Goals:** (see tables in addendum): Individual goals are set for each student group with the expectation of high standards as well as to narrow the gap between each group and the All Students group. If the student group is below the All Students group, that student group's goal for 2024 is to narrow the performance gap by half as well as meet the overall percentage increase in the STAAR Meets Grade Level performance required for the All Students group.

According to the TEA (Texas Education Agency), Centennial Elementary School has a 2019 Campus Accountability overall score of 95 (Letter Grade A). The overall score is based on the school's performance in three different domains: Students Achievement, School Progress, and Closing the Gaps. In the domain of Student Achievement, Centennial's accountability score remained the same at 94 from last year to this year. The Student Achievement domain is based on STAAR performance only (grades 3, 4, and 5) and informs us how much students know and are able to do at the end of the year. The School Progress domain informs how students are performing over time and compares that progress to similar schools. This domain is based upon Academic Growth and Relative Performance and the higher of Growth or Performance is used to determine the School Progress score. Centennial scored a 91 in Academic Growth in 2019 and the same in 2018. In the area of relative performance, Centennial's score was 82 in 2018 and 82 in 2019. The Closing the Gaps domain tells us how well different populations of students on the campus are performing. Centennial scored a 98 in 2019, and a 100 in 2018.

#### STAAR Data

Reading: 3rd: 91% Approaches, 58% Masters

4th: 94% Approaches, 60% Masters

5th: 96% Approaches, 58% Masters

- Math: 3rd: 96% Approaches, 55% Masters
- 4th: 92% Approaches, 69% Masters

5th: 97% Approaches, 58% Masters

Writing: 4th: 92% Approaches, 31% Masters

Science: 5th: 84% Approaches, 32% Masters

#### **Student Learning Strengths**

- Accountability rating was a 95 and letter grade A for the 18-19 school year
- Academic growth was a score of 91
- Results for different populations of students on the campus was a 98
- Distinction earned in the area of Postsecondary Readiness

#### **Problem Statements Identifying Student Learning Needs**

**Problem Statement 1 (Prioritized):** The percentage of students at the masters level at Centennial is above district level, but below the level of "like" campuses **Root Cause:** Collaborative teams will address the need to plan for instruction that includes extending student understanding with essential concepts.

Problem Statement 2: The most significant gaps in student achievement compared to the district are in the areas of economically disadvantaged and special education students.

**Problem Statement 3 (Prioritized):** There is a need for a systematic approach for differentiation to meet the needs of the high and low learners **Root Cause:** Collaborative teams will plan for these groups and provide targeted instruction, based on formative and summative assessment data, to target these groups of learners.

## **School Processes & Programs**

#### School Processes & Programs Summary

It is the goal of Centennial Elementary to support the learning of all its students through effective instruction in every classroom. In the 2018-2019 school year, Centennial staff embraced the High Reliability Schools (HRS) Level 1 Protocol for collaborative team planning setting the stage for instructional conversations aimed at increasing student achievement. Centennial's (Plano ISD's) curriculum is designed to infuse literacy throughout the day. The schedule is set with allotted times throughout the school day for guided reading, writing workshop, Words Their Way, learning centers, as well as a literacy content block. In addition, our K-5 classes utilize units that assist our teachers in planning literacy instruction that integrates reading and writing skills across content areas. The Master Schedule has helped to provide good collaboration amongst teams and building staff. I/E (intervention and extension) times embedded into the master schedule have provided more accountability across grade levels. Peer-to-peer, administrative and team planning Walkthroughs provide helpful feedback to staff. The turn around time of the walk through feedback is quick and effective. Vertical teams worked well in meeting consistently and focusing on vertical alignment. Centennial Elementary employs high-quality, talented staff. Centennial is fortunate to have a dedicated staff with a low turnover rate.

#### **School Processes & Programs Strengths**

- Staff use social emotional learning, morning meetings and restorative practices to manage classroom behaviors.
- Staff enjoyed the opportunity to participate in peer-to-peer walkthroughs and receive feedback from administrators as well as colleagues.
- Vertical teams play a vital role in sharing information across grade levels.
- Collaborative teams meet regularly and utilize extended planning days.

#### Problem Statements Identifying School Processes & Programs Needs

Problem Statement 1 (Prioritized): Staff have been trained on common formative assessments, but are not regularly using them to drive instruction and intervention. Root Cause: A format for data disaggregation and a schedule for this has not been established and provided for collaborative teams.

# Perceptions

#### **Perceptions Summary**

Centennial Elementary exhibits a culture of inclusivity where staff build relationships with all students, staff members and parents. Staff members work collaboratively and demonstrate respect for each other. Campus and staff survey data supports that Centennial is a Professional Learning Community with flourishing collaborative teams in place. Overall, staff and administrators agree that Centennial has a positive school climate based on HRS (High Reliability Schools) survey data. The school has a collaborative, safe and orderly environment. Students seem to like school as evidenced by Centennial's 97.3% attendance rate. At Centennial, partnerships with parents and the community are valued and cherished. The school has a very active PTA that supports the school, teachers, and students in many ways. In the 2018-2019 school year, the PTA paid for student field trips for all grade levels, supported many after-school programs and coordinated special events such as the Color Run, Multicultural Night and Texas Day. They provided key instructional resources for teachers to support effective teaching in every classroom. The PTA has supported teacher appreciation events to honor Centennial's teachers and thank them for their hard work. The Watch D.O.G. Program continues to grow every year where dads come and spend a day at Centennial, follow a schedule which includes meeting with student groups in every grade level. They also spend lunch, recess and specials with their own student. In 2018-2019 there were 126 Watch D.O.G. s who served at Centennial. This program has received very positive feedback from teachers, students and the dads who participated.

#### **Perceptions Strengths**

- Teachers and administrators feel that Centennial has a collaborative and safe environment.
- Centennial has a very strong and supportive PTA.
- The Watch D.O.G. program has an overall positive impact on the school environment.
- Staff feel that the campus has a collaborative environment.

#### **Problem Statements Identifying Perceptions Needs**

Problem Statement 1: Staff don't always understand the purpose behind surveys and would like to know how their input influences decision making.

# **Priority Problem Statements**

**Problem Statement 1**: The percentage of students at the masters level at Centennial is above district level, but below the level of "like" campuses **Root Cause 1**: Collaborative teams will address the need to plan for instruction that includes extending student understanding with essential concepts. **Problem Statement 1 Areas**: Student Learning

Problem Statement 2: Staff have been trained on common formative assessments, but are not regularly using them to drive instruction and intervention.Root Cause 2: A format for data disaggregation and a schedule for this has not been established and provided for collaborative teams.Problem Statement 2 Areas: School Processes & Programs

Problem Statement 3: There is a need for a systematic approach for differentiation to meet the needs of the high and low learners Root Cause 3: Collaborative teams will plan for these groups and provide targeted instruction, based on formative and summative assessment data, to target these groups of learners.

Problem Statement 3 Areas: Student Learning

# **Comprehensive Needs Assessment Data Documentation**

The following data were used to verify the comprehensive needs assessment analysis:

#### **Improvement Planning Data**

• District goals

#### **Accountability Data**

- Texas Academic Performance Report (TAPR) data
- Student Progress Domain
- Accountability Distinction Designations
- Federal Report Card Data

#### **Student Data: Assessments**

- STAAR End-of-Course current and longitudinal results, including all versions
- Texas English Language Proficiency Assessment System (TELPAS) and TELPAS Alternate results
- Local benchmark or common assessments data

#### **Student Data: Student Groups**

- Male / Female performance, progress, and participation data
- Special education/non-special education population including discipline, progress and participation data
- Dyslexia Data
- Response to Intervention (RtI) student achievement data

#### **Student Data: Behavior and Other Indicators**

- Attendance data
- Mobility rate, including longitudinal data
- Student surveys and/or other feedback

#### **Employee Data**

- Professional learning communities (PLC) data
- Staff surveys and/or other feedback
- Teacher/Student Ratio
- State certified and high quality staff data
- Campus department and/or faculty meeting discussions and data

#### **Parent/Community Data**

- Parent surveys and/or other feedback
- Community surveys and/or other feedback

#### Support Systems and Other Data

- Processes and procedures for teaching and learning, including program implementationOther additional data

# Goals

#### Revised/Approved: September 22, 2020

**Goal 1:** DIP - Plano ISD will increase student learning as evidenced by an increase in the percentage of students performing at the Meets grade level standard on STAAR/EOC Reading and STAAR Writing from 2019 to 2021.

**Performance Objective 1:** HB3 - The percent of Centennial 3rd grade students that score meets grade level or above on STAAR Reading will increase from 78% in 2019 to 80% by June 2021. The SPED student group performance will increase from 56% in 2019 to 59% in 2021. The Eco Dis student group performance will increase from 38% in 2019 to 43% in 2021.

#### HB3 Goal

Evaluation Data Sources: 2021 STAAR Assessment

Strategy 1 Details	For	mative Revi	ews
Strategy 1: K-3 Centennial teachers participate in the TEA Reading Academy 60 hour course (professional development) and complete it		Formative	
successfully by the end of the school year. Teachers apply what they have learned to their reading instruction.	Nov	Feb	June
<b>Strategy's Expected Result/Impact:</b> Walk through data, common formative assessments, reading records, lesson plans, Reading MAP scores (specifically the foundational skills strand)			
Staff Responsible for Monitoring: Administrators, Grade level Team leaders and Classroom Teachers	20%	50%	95%
Strategy 2 Details	For	mative Revi	ews
Strategy 2: Targeted reading groups are held daily in K-5 classrooms to allow students the ability to progress from their BOY (beginning		Formative	
of year) instructional reading level. Allow for academic teachers and special education teachers to provide additional support in order to meet the needs of all students.	Nov	Feb	June
Strategy's Expected Result/Impact: The master schedule reflects time in every grade level dedicated to small group / targeted reading instruction, reading records, MAP scores, walk throughs, lesson plans.	20%	50%	95%
Staff Responsible for Monitoring: Principal, Asst. Principal, Leadership team			
Strategy 3 Details	For	mative Revi	ews
Strategy 3: Use of formative and summative assessment data to drive instruction and formally discuss this data at regularly scheduled		Formative	
data meetings.	Nov	Feb	June
<b>Strategy's Expected Result/Impact:</b> Teachers will use results of common formative assessments, district and unit assessments to drive targeted instruction. Teachers, administrators and instructional specialists will meet regularly to discuss and analyze data at regularly scheduled data meetings.	20%	50%	80%
Staff Responsible for Monitoring: Principal, Asst. Principal, Classroom Teachers			

Strategy 4 Details	For	mative Revi	iews
Strategy 4: Grade level teams will spend 3 planning periods a week (Monday, Tuesday and Wednesday) to collaboratively plan		Formative	
instruction in order to maximize their Reading Academy knowledge, unpack the TEKS and evaluate student data in order to deliver the best literacy instruction for their students.	Nov	Feb	June
<b>Strategy's Expected Result/Impact:</b> Reading records, Reading MAP scores, lesson plans, small group instruction (walk throughs). Administration will provide specific feedback via planning walk throughs. <b>Staff Responsible for Monitoring:</b> Grade level teachers/teams, leadership team, principal/assistant principal	20%	50%	100%
Strategy 5 Details	For	mative Revi	iews
Strategy 5: Use of the Centennial Instructional model and collaborative team framework to plan for instruction.		Formative	
Strategy's Expected Result/Impact: Strategies for effective teaching in every classroom and collaborative team planning will	Nov	Feb	June
be aligned and consistent observed through walk throughs, data meetings, vertical teams, lesson plans, planning meetings. <b>Staff Responsible for Monitoring:</b> Grade level teachers/teams,Principal/Assistant principal	20%	50%	100%
Strategy 6 Details	For	mative Revi	iews
Strategy 6: Students in all classrooms take ownership of their data using tools such as data trackers, data binders or data walls that build		Formative	
hope, efficacy and achievement.	Nov	Feb	June
<ul><li>Strategy's Expected Result/Impact: Students will become more aware of their own learning, areas of growth and achievement. This will result in more personalized learning for students.</li><li>Staff Responsible for Monitoring: Classroom teachers, Principal/Assistant principal</li></ul>	20%	50%	85%
Strategy 7 Details	For	mative Revi	iews
Strategy 7: Teachers will identify foundational skill gaps and set individual student goals through the RTI process using the Edugence		Formative	
system.	Nov	Feb	June
Strategy's Expected Result/Impact: Students who have foundational skill gaps will be brought up to grade level by meeting or exceeding expected growth in STAAR, MAP and/or TELPAS. Staff Responsible for Monitoring: Principal, Asst. Principal, Grade level teachers	20%	50%	100%
Strategy 8 Details	For	mative Revi	iews
Strategy 8: Students who have not met expected progress or growth the previous year will be identified, targeted and monitored by all		Formative	
staff (Champion Program).	Nov	Feb	June
Strategy's Expected Result/Impact: These students will meet or exceed growth as measured by STAAR, MAP and/or TELPAS.	2004	FOR	
Staff Responsible for Monitoring: Principal, Asst. Principal	20%	50%	90%
No Progress Accomplished -> Continue/Modify X Discontinue	ie		•

**Goal 1:** DIP - Plano ISD will increase student learning as evidenced by an increase in the percentage of students performing at the Meets grade level standard on STAAR/EOC Reading and STAAR Writing from 2019 to 2021.

**Performance Objective 2:** The percent of Centennial students that score Meets grade level or above on STAAR Reading 3-5 will increase from 78% in 2019 to 80% by June 2021. The African American student group performance will increase from 26% in 2019 to 30% in 2021. The Eco Dis student group performance will increase from 33% in 2019 to 38% in 2021.

**Goal 3:** DIP - Plano ISD will increase student learning in Science as evidenced by an increase in the percentage of students performing at the Meets grade level standard on STAAR/EOC Science from 2019 to 2021.

**Performance Objective 1:** The percent of Centennial students that score Meets grade level or above on STAAR Science 5 will increase from 66% in 2019 to 68% by June 2021. The SPED student group performance will increase from 29% in 2019 to 31% in 2021. The Eco Dis student group performance will increase from 31% in 2019 to 35% in 2021.

Evaluation Data Sources: 2021 STAAR Assessment

Strategy 1 Details	For	mative Revi	ews	
Strategy 1: Use of formative and summative assessment data to drive instruction and formally discuss this data at regularly scheduled		Formative		
data meetings.	Nov	Feb	June	
Strategy's Expected Result/Impact: Teachers will use results of common formative assessments, district and unit assessments to drive targeted instruction. Teachers, administrators and instructional specialists will meet regularly to discuss and analyze data at regularly scheduled data meetings.	20%	50%	95%	
Staff Responsible for Monitoring: Principal, Asst. Principal, Classroom Teachers
