# Priorities

**Priority 1:** 1.2 Develop and deliver systems for learning that articulate expectations and provide support for all staff, campus administrators and district office leaders to ensure engaging, high levels of learning for all students.

**Goal 1:** Christie will refine the intervention/enrichment practices so that all students in quintiles 1-5 in reading and math show growth according to projected growth reports. Christie will establish small group instruction to insure targeted intervention and enrichment practices are occurring.

**Performance Target:** 80% of students in each quintile and grade will meet 100% of projected growth points according to Winter and Spring MAP projected growth (PGR) reports. 100% of projected growth is equal to a year's worth of growth in a year's time.

**Expected Result:** MAP growth across all quintiles for reading and math will increase.

**Goal 2:** Teachers in all K-5 will consistently use the PISD Collaborative Team Framework and curriculum resources to include engaging students in cognitively complex tasks as well as structure practice sessions during Tier I instruction.

**Performance Target:** The percentage of Domain 2A will increase from 70% to 75% according to STAAR 2025 accountability results.

**Expected Result:** The number of students showing growth in STAAR reading and math will increase from 2024 to 2025.

**Priority 2:** 4.3 Create a culture of belonging for all members of the Plano ISD community.
