# Priorities

**Priority 1:** Develop and deliver systems for learning that articulate expectations and provide support for all staff, campus administrators and district office leaders to ensure engaging, high levels of learning for all students.

**Goal 1:** By the end of the 2024-25 school year, the campus will strengthen, implement, with fidelity, the components of the collaborative team framework within the weekly grade level planning.

**Performance Target:** As a result of this goal we will see change in teacher practice which includes critical thinking questioning and complex cognitive tasks.

**Expected Result:** By implementing the components of the collaborative team framework , we expect enhanced plans and instructional delivery to increase academic language vocabulary.

**Priority 2:** Develop and deliver systems for learning that articulate expectations and provide support for all staff, campus administrators and district office leaders to ensure engaging, high levels of learning for all students.

**Goal 1:** By the end of the 2024-2025 school year, teachers will enhance targeted instruction by implementing plans to increase student engagement, cognitively complex tasks and opportunities for students to interact and collaborate.

**Performance Target:** Engagement walks will indicate 90% student engagement.

**Expected Result:** Teacher effectiveness will improve in instructional planning, design, and delivery of quality Tier I instruction.

**Priority 3:** Implement interventions and systems of support to ensure a safe, orderly and respectful learning environment.

**Goal 1:** By the end of the 2024-2025 school year, staff will implement with fidelity, interventions and systems of support to ensure a safe, orderly, and respectful learning environment.

**Performance Target:** The Campus attendance rate will increase from 93.92% - 96%.

**Expected Result:** To support student academic achievement, the campus will incorporate effective PBIS strategies to improve student attendance and behavior.
