

Dear Plano East Parents and Students,

Plano ISD and the Plano East Counseling Department are so excited to present your student's senior year course offerings and assist them in creating the optimal schedule for their last year of high school.

During the month of November, we will offer students and their families opportunities to learn about all of the options available. We hope that providing you with all of the information now will allow you time to engage your student in conversations about their hopes for the future and how this last year of high school could move them closer to achieving their dreams.

Calling the Plano East Panther Class of 2026! For the 2025-26 school year we will conduct course registration in SchoolLinks. The SchoolLinks icon is located in each student's Webdesk for easy access. Please take time over the next couple of weeks to preview the 2025-2026 Course Registration Resources for PESH Parents and Students. The resource page includes a wide variety of resources, such as the course catalogs, academic guides, videos explaining the Career and Technical Education courses, course planning pages, and much more. Click on this [link](#) to be directed to the page of resources.

We look forward to working with you and your students on registering for courses in November and hope the holiday season is full of peace and joy for you and your family.

Sincerely,
PESH Counseling Team
