## Course Selection Sheet

We are going to go over this together to plan your 7 period day

# Endorsement

Circle the one endorsement track you plan to pursue based on your elective areas of interest. If selecting a CTE program of study write in the line below that endorsement.				
<b>Arts and Humanities</b> Social Studies Languages Other Than English (LOTE) Fine Arts English	<b>Business and Industry</b> CTE Program of Study: _____	<b>Multi-Disciplinary</b> Workforce Foundations Subjects Advanced Classes	<b>Public Service</b> Junior Reserve Officer Training Corps (JROTC) CTE Program of Study: _____	<b>STEM</b> Computer Science Math Science CTE Program of Study: _____

Students may earn one or more endorsements as part of their high school diploma. An endorsement consists of a sequence of courses that are grouped together by interest or occupational skill. They provide students with in-depth knowledge of a subject area or a high-wage, high-skill, and in-demand occupation. Every career and technical education (CTE) Program of Study leads to an endorsement. Students earn an endorsement by completing four credits each in both math and science, two additional elective credits, and the curriculum requirements for the endorsement. Students can choose from five endorsement areas.

Circle your Endorsement choice, if selecting a CTE Program of study write it on line.

# SchoolLinks Course Selection

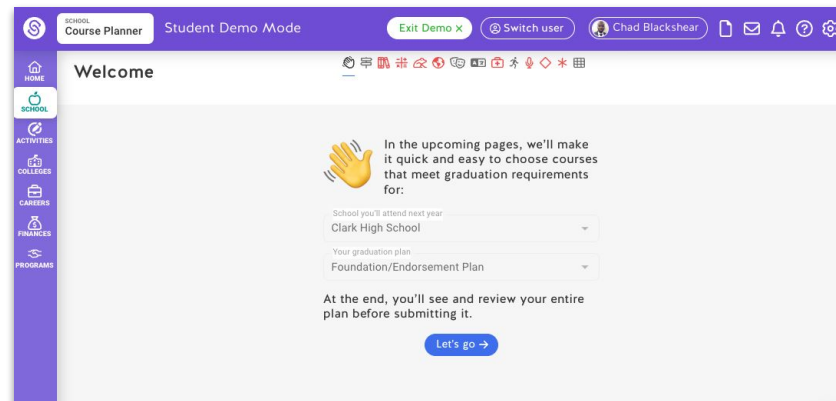

## Getting Started with Course Selection for 8th-11th Students

➤ To access the Course Planner, click on the task from the To-Do list on your dashboard or by clicking on the **School** icon → **Course Planner**

➤ First you will see the **Welcome Page** to get started. Click **Let's Go** to get started. The first section you will complete is the **Endorsement and Program of Study** selection

# SchoolLinks Course Selection

- In each subject, you will select the courses you plan to take. To add a course, click “Add another course.” To remove a course, click on the trashcan. Click on **View Requirements** to confirm which requirements have been met.

The screenshot displays the 'School Course Planner' interface in 'Student Demo Mode'. The user is logged in as 'Chad Blackshear'. The main section is titled 'English' and shows a summary of requirements: '4 credits: English 1, 2, and English 3' and '4th Year of English'. A red banner indicates 'REQUIREMENTS NOT MET'. Below this, there are three course cards: 'ENG 1 RM (101021)' with 1.0 / 1.0 credits, 'ENGLISH 2 (102001)' with 1.0 / 1.0 credits, and 'ENGLISH III (103001)' with 1.0 / 1.0 credits. Each card has an 'Add another course' button. A 'View Requirement Tree' link is also visible. The interface includes a sidebar with navigation options like HOME, SCHOOL, ACTIVITIES, COLLEGES, CAREERS, FINANCES, and PROGRAMS. The top navigation bar includes links for Exit Demo, Switch user, and user profile.

- If you have questions or a note for your counselor, use the **Comments** section.
- Once all of your courses for the next school year have been added, review your plan, and click **"Submit Plan"**. If there are any errors on your plan, review the errors as needed.
